Programme Name: Heritage Visit Rathinagiriswarar Temple

Date: 28-11-2023

Venue: Rathinagiriswarar Temple, Ayyarmalai

Number of Participants: 21

Description:

As per the university curriculum, a self-guided trip aimed at rediscovering Tamil heritage was organised for the first-year BE-Mechanical students on November 28, 2023, as a part of the GE3151: Heritage of Tamil course.

Students visited the Sri Rathinagiriswarar temple located in Kulithalai Ayyarmalai, Karur district. There, they learned about the temple's history, ancient Tamil traditions, and Chola-era inscriptions from the temple authorities. They also explored the ancient Tamil scripts engraved on the temple rocks.

This trip provided a valuable opportunity for the students to deepen their understanding of Tamil heritage and its rich historical significance.
