

Medical Camp

The Social Welfare Clubs of Chettinad College of Engineering and Technology conducted a medical camp for the general public at Puliur on September 23 in collaboration with Velan Eye Hospital, I Tooth Hospital Karur, and Thulasi Pharmacy, Karur as part of the NSS Day celebration.

The medical camp was inaugurated by Dr. Mrs. A. Punitha, the Principal of our college, and Mr. B. Sathishkumar, the Administrative Officer. A total of 175 beneficiaries participated in the camp. During this event, a comprehensive set of essential healthcare services was provided, including blood tests, eye examinations, and dental checkups. These services played a crucial role in the early detection and prevention of health issues.
