

CHETTINADTECH SOCIAL WELFARE CLUB

National Unity Day - 2022

National Unity Day is celebrated every year to commemorate Sardar Vallabhbhai Patel's birth anniversary. The Coordinators of the ChettinadTech National Service Scheme unit of the college organised an event on October 31st, 2022 to commemorate this day.

The event started with a pledge and oath-taking ceremony where the students pledged to serve society in its best interest.

In the "run for unity", a short marathon around the college campus, many students enthusiastically participated to evoke the spirit of integrity among their colleagues and fellow mates, carrying the message for a unified India.

Their chants of Quomi Ekta and Vande Mataram boosted their morale and were a perfect tribute to the Iron Man on his anniversary. Events like these will be a great help in building our huge and diverse nation into a great one that has the capability to become a superpower.
