

## CHETTINADTECH SOCIAL WELFARE CLUB

### Plastic – Free Campaign

Our ChettinadTech Social Welfare Club organised a plastic-free campaign on October 29, 2022, in Veerarakkiam, Krishnarayapuram(TK), Karur. The primary goals of the Anti-Plastic campaign were to prevent single-use plastic usage and safeguard the environment from the harmful effects of plastic.

Awareness was created about how plastics are not only bad for the environment but also pose health risks due to the chemicals found in plastic bags and bottles. Instead of using plastic, people were encouraged to start using paper straws and cloth carry bags. All the plastic bottles and bags were removed from homes, and our students urged them to only use environmentally friendly alternatives. 11 kg of plastic was collected by volunteers from our ChettinadTech NSS unit. The materials collected were later sent for recycling.

#### Social Welfare Club Coordinators:

1. Mr. K. Rajasekar, AP/MECH
2. Dr. T. Gobinath, AP/CSE
3. Mr. M. Vasanthprakash, AP/EEE
